

## Our philosophy on wine...

Welcome to Passionfish! We would like to use this page to introduce you to our wine list. First you may notice our close-to-retail prices are comparable to your best neighborhood wine shop. While the general restaurant practice is to mark up wine by 200-300%, we choose to keep ours at a 50-80% markup. Why do we price our wines this way? Because we are crazy about wine, and great food deserves great wine at a reasonable price. We hope this will excite and tempt you to try something new, unique and off the beaten path. We charge a \$25 corkage fee for those who care to bring in their own special bottle of wine.

Our generous pricing policy has allowed us to purchase in a different manner than is customary. You will find that our list highlights small production wineries as well as grape varieties that are under the radar. We take care to offer classic favorites as well, at unconventional price points. Our pleasant staff is primarily educated in house. They participate in the wine purchasing process and are happy to suggest their favorite wines of the moment. We want you to explore our world of wine. Tell us what you like and look for, and we will work with you to find the perfect wine for your meal.

As you browse through the wine list, you may notice this symbol 🌱 appearing next to certain wines. We use it to acknowledge wineries that are doing their part to practice any form of sustainable wine production. We believe in recognizing these wineries because farming sustainably on land directly affects the sustainability of our oceans.

We hope that you enjoy your dining experience here at Passionfish. It's always nice to make new friends.

## Our 'Love' Page

### Cinderella & Atticus Finch

We created our 'Love' page, an ever-evolving, seasonally focused list, to showcase the wines we are currently craving. In this edition of 'Love,' our theme is Characters of Good Intentions.

When trying to better understand a grape or wine's personality, we often play a game and assign each of them a matching fictional character. In this case we have Cinderella and Atticus Finch.

Aligoté has spent her life as Cinderella, slaving away in Burgundy, waiting for her moment. While *To Kill a Mocking Bird's* Atticus Finch is the perfect match for the recently debuted wine label Uphold Wines created by the 'good samaritan' winemaker duo Megan and Ryan Glaab. Like Atticus Finch, the Glaab's accompanying motto, - don't wine, take action - embodies a spirit of integrity and sincerity. We hope you enjoy drinking these folkloric and fictional tropes as much as we do!

#### Cinderella~ Aligoté

The only glass slipper Aligoté has ever tried to fit in is her own. She has spent the majority of her life living in the shadows of her more popular and expensive siblings, Chardonnay and Pinot Noir. Miraculously, Aligoté weathered decrees to be uprooted; what vineyard plots she was allowed to survive in were often the poorest sites. Nevertheless, she persisted and subsequently, the hard work and resilience is finally paying off. It's now her moment to shine and bare her pure citrusy-herbal heart to us all.

#### Atticus Finch~ Uphold Wines

Much like *To Kill a Mocking Bird's* Atticus Finch, Megan and Ryan of Ryme Cellars chose to promote social justice by taking action. Through creating the new Uphold Wines, they have redoubled their commitment to community by being agents of social change. Uphold Wines will go through a quarterly accounting process from which 100% of net profits will be donated to charity. Their white blend supports environmental causes, the rosé supports feminist causes and their red is dedicated to support people's rights.

## Grower Champagne

Grower Champagne can be intimidating. You may not see a brand name you recognize, but trust us, it's Champagne we believe in and so should you! Just as you may have a favorite farmer you look forward to buying from at your local Farmer's Market, we have favorite Champagne farmers. These farmers produce very small quantities of amazing Champagne from the grapes they grow. We created this page to help you in your 'conversion' to Farmer Fizz. Have fun, experiment and enjoy who you meet. We hope your belief in Grower Champagne becomes as strong as ours!
